

BATH FRINGE VENUES LIST 2026

Please check that venues have a suitable entertainment licence in place, and a PRS/PPL licence if there is any music involved (most pubs and halls will have this already).

This list was last updated for January 2026, though if we notice something in the meantime we will try to keep it updated in general.. Not all venues responded to our enquiries for updates, but when they were clearly still in use we have retained them on the list. There are new venue opportunities coming up all the time – stay in touch and we'll let you know if anything develops.

If you have any experiences with any of these venues yourselves that you'd like to share, tell us all about it.

If there are updates we'll update the version of this file which is on the www.bathfringe.co.uk downloads page [www.bathfringe.co.uk/about-the-fringe/links].
